Reconciling climate resilience and cycling infrastructure</p>	<p>10.4</p> <p>Building communities for urban transformation: Sharing experiences from Germany, Georgia, Ethiopia and beyond</p>	<p>10.5</p> <p>Leveraging data for improved infrastructure and policies</p>	<p>10.6</p> <p>Partner session</p>
--	---	---	--	---	------------------------------------

15.30 - 16.00

Coffee Break

13.4 Poster session: New technologies + Innovative data collection (15:30 - 16:00)

16.00 - 17.15

PLENARY 5 - Multimodality: Building integrated transport systems

19.30 - 23.00

Networking Dinner Party

DELIVERING THE URBAN DREAM

Friday, 19 June 2026

Built to Inspire: Designing Beautiful Urban Environments

Good Vibes: Championing an Inclusive Transition

Cycling for Life: Promoting Healthy Lifestyles

Multimodality: Building Integrated Transport Systems

Travel Reimagined: Advancing Sustainability & Tourism

Academic session track: From research to practice

🕒 10.00 - 10.45

11.1 

If you build it, will they come? Should cycling infrastructure or cycling culture come first?

11.2 

Climate resilience: How cycling fights climate change

11.3 

Digital tools for better cycling

11.4 

Bike parking for all types and sizes of bikes

11.5 

Words matter: Cycling in journalism and media

11.6 

From failure to success: Stories about budgets, community resistance and persistence

🕒 11.00 - 11.45

12.1 

Creating livable streets through fair street design

12.2 

The social power of cycling: From community engagement to intersectional struggle

12.3 

From research to practice: Cycling and mobility justice

Ends at 11.45

Ends at 11.45

12.6 

Built to inspire: Art in cycling infrastructure

🕒 12.00 - 13.00

PLENARY 6 - Cycling to Boost the Economy and Save Energy

🕒 13.00 - 13.30

CLOSING CEREMONY

🕒 13.30 - 14.30

Lunch
